Description

Remodeling Consultant

Are you passionate, organized, and personable? Do you want to help provide homeowners with their dream remodel? Do you have an eye for interior design?

DBS Remodel is a nationally recognized leader in remodeling and we're growing our team. We are ready to hire our next **Remodeling Sales Consultant!** DBS is an award-winning residential remodeling company that's been servicing the Hudson Valley for over 35 years. With extremely low attrition, strong core values and encouraged working relationships, the average employee tenure is 15 years. **JOB**

SUMMARY: A full-time Remodeling Consultant, your role will be to develop relationships with qualified homeowners, design their space and guide them through the DBS Remodel experience! Consultants are not responsible for generating their own leads and appointments are provided. Our highly efficient qualifying process is designed to be both time and labor-saving. A new team member can expect to run 3 to 5 appointments per week from our provided qualified leads. Aside from buying a home, remodeling can be the largest purchase one makes in a lifetime. Our ideal candidate is not your average salesperson. We are looking for a rockstar that is curious, asks good questions, and is thoughtful. This person will enjoy providing

Responsibilities exceptional customer service while working with homeowners and designing different types of spaces.
